Products for professionals

Description:

The powerful Cartec Insect Cleaner is a cleaner specially developed for insect removal. It is a highly concentrated and well-foaming product. This ensures better adhesion and processing time. Cartec Insect Cleaner is non-aggressive, making it safe to use on aluminium and chrome when treated as prescribed.

Product benefits:

- ✓ Highly effective cleaner
- ✓ Acts quickly
- ✓ Non-aggressive

Application:

Cartec Insect Cleaner effortlessly removes insects from various types of vehicles.

Instructions for use:

⚠ Do not use in direct sunlight and do not allow to dry on the surface. Always check the product in an inconspicuous place before use to avoid possible damage.

1. Depending on contamination, dilute the product 1:5-1:25 with water in a Cartec pressure pump (3112/10).
2. Spray the surface to be treated. Let the product dwell for up to 2 minutes and, if necessary, use a brush (such as 3039/10).
3. Spray the treated surface with a pressure washer.

Tips & Tricks:

- ✓ Cartec Insect Cleaner also works very well on tree resin
- ✓ Can also be used as a pre-cleaner
