

CERAMIC GLAZE

Pure

Up to 3 months

This product is part of **CERAMIC GUARD**

**INGENIOUS
CAR CARE**

Products for professionals

Description:

Cartec Ceramic Glaze enriches ceramic-coated surfaces (such as Ceramic Guard) with a sublime, extra-high gloss and intensifies water-repellent properties for superior protection. This product also offers on new and carefully polished paints a depth of gloss comparable to a mirror reflection, while also ensuring a flawless and stain-free finish. It is equally effective on specialized finishes such as wraps, Paint Protection Films (PPF) and matte paints. It forms a uniform, protective layer that refines appearance and increases durability.

Product benefits:

- ✓ Deep glossy result
- ✓ Durable protection
- ✓ Quickly removes light soiling and fingerprints
- ✓ Very quick and easy to use
- ✓ Non greasy and hologram free
- ✓ Can also be used on plastic
- ✓ Pleasant scent

Application:

Cartec Ceramic Glaze can be used on coated, clean, polished and/or fresh paint. Also applicable on special finishes such as wrap, PPF (Paint Protection Film) and matte paints, to create a uniform, protective layer that enhances appearance and durability.

Instructions for use:

⚠ Do not use in direct sunlight or on hot surfaces. Shake well before use.

1. Spray Cartec Ceramic Glaze on the surface to be treated.
2. Use a clean microfiber cloth (3317/20) to apply Cartec Ceramic Glaze with circular motions.
3. Polish to a high gloss with a clean cloth or dry part of the cloth used.

Tips & Tricks:

- ✓ Cartec Ceramic Glaze also works well on plastic, stainless steel and the rear and side windows of the car.
