CAR CARE**

Products for professionals

Description:

Cartec Ceramic Wash is an advanced shampoo that provides deep shine and water repellency with a rich lather. This formula is specifically designed for vehicles with ceramic coatings, such as Ceramic Guard, to effectively clean the coating and enhance water repellency.

Product benefits:

- ✓ Active foaming cleansing
- ✓ Deep gloss and protection
- ✓ Beading (water repellency) when rinsed off
- ✓ Pleasant fragrance experience
- ✓ Excellent shampoo for regular maintenance of the ceramic coating

Application:

Cartec Ceramic Wash is used on all exterior parts to remove static dirt and strengthen the coating's hydrophobic properties.

Instructions for use:

⚠ Do not allow the product to dry. Make sure that the coarse dirt is removed from the vehicle before hand washing. to remove the coarse dirt, use a Cartec pre-cleaner, such as Cartec Twister Comfort (1407).

1. Mix Cartec Ceramic Wash 1:80 with clean water in the transparent Cartec bucket (3051/5), including the Dirt Lock Bucket Siever (3051/6).
2. Wash the vehicle from top to bottom with a wash mitt (3120/28) or sponge. Between washes, periodically dip the wash mitt into the full bucket.
3. After washing, rinse immediately with clean water.
4. Dry the car with a chamois or the Cartec Aqua Drying Towel (3317/50) to avoid stains on the paintwork.

Tips & Tricks:

- ✓ Cartec Ceramic Wash also works very well in conjunction with a foam lance (3117/60). Fill the cup with product and then foam the vehicle. Then wash the vehicle with a wet wash mitt (3120/28).
- ✓ Preferably rinse the vehicle with osmosis water to avoid calcium stains.

Required items:

3051/5

3051/6
